

# Cloud Transformation

at Jan Yperman Hospital

Region  
**EUROPE**

**DeepUnity Suite (PACSonWEB, RISONWEB)**

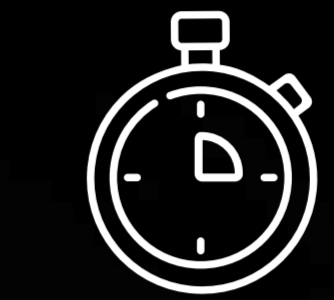

The **NEED** for **CHANGE**

“ We are heading for the best PACS on the market. “

- Lieven Goudeseune

On-premise systems were costly and rigid.

A future-proof solution for regulations and tech was needed.

Cross-site collaboration needed improvement.

The **IMPACT**

Cloud-based and AI-ready for advanced diagnostics and long-term growth.

How  
**DEDALUS DELIVERED**

## Cloud-Based PACSonWEB

Dedalus delivered RISONWEB and PACSonWEB:

**Cloud PACS** removed on-premise investments.

**Browser-based access** with RISONWEB integration.

**Supports multiple specialties** via a central cloud archive.

## KEY BENEFITS

- ✓ **80 Tb** cloud storage at 100 MBps speed.
- ✓ **23** modalities integrated for 12 radiologists.
- ✓ **Lower costs and remote reporting.**

Why  
**DEDALUS** ?

Scalable cloud solutions with healthcare expertise, secure data, and fast support.

**READY FOR TRANSFORMATION?**
