

Dedalus Group: Peter Gille appointed General Manager for Dedalus Northern region

Milan, July 1st, 2022 - Dedalus Group, the leading healthcare and diagnostic software solutions provider in Europe and one of the largest in the world, announced today that Peter Gille has been appointed General Manager for Dedalus Northern region. Peter Gille will be in charge of accelerating the digitisation of public and private healthcare systems in Northern Europe, including Denmark, Sweden, Norway, Finland, the Netherlands and Belgium.

Peter has over 30 years of experience in the software industry, with executive roles in companies such as Oracle, Nexus and Cambio. In his latest role as CEO of Cambio, he helped the company become an e-health leader in the Nordic region. In the 6 years Peter led the company, Cambio staff grew from 300 to 750 employees while revenues increased more than threefold.

During the nine years he headed Nexus, a software company operating in the information security field, Peter enabled the company to become a leader in identity management, with customers all over the world.

At Oracle, Peter held several executive positions both internationally and in Sweden for twelve years.

“I am proud to join Dedalus’s management team, with responsibility for managing the business in the Nordic region, the Netherlands and Belgium” says Peter Gille. “In my view, Dedalus is the only true European global company which can challenge the international players on the market. I am looking forward to helping the Dedalus business grow in my region, and to contributing to Dedalus' success in the future.”

“We are excited to announce that Peter Gille has been appointed General Manager for the Northern region. We are positive that he will bring his expertise and experience to the team, in turn, enabling us to strengthen our position in Europe even further.”, Andrea Fiumicelli, Dedalus Group CEO, commented.

“Peter represents another crucial step in our determination to further invest in our leadership, so as to deliver on our commitment to strengthen our position in Northern Europe,” Hans Vandewyngaerde, Regional President Dedalus, added.
